FOOD PANTRY is accepting Cereal for the
month of April. Your donations are appreciated.

In TODAY’S GOSPEL the apostles recognized Jesus by His wounds. It is silly to pretend we are without faults. Those closest to us know our wounds and still accept and love us. Our wounded self is our true self. Accepting our own wounds we can accept the faults in others.

TRAVELING ICON: Our icon of SS. Peter & Paul continues its journey this weekend. May the prayers of our Parish Family bear fruit in bringing forth men and women to follow the call of the Lord as priests and religious. The duty of fostering vocations falls on the whole Christian community…The family finds in the plan of God the Creator and Redeemer not only its identity, what it is, but also its mission, what it can and will do. Each family finds within itself a summons that cannot be ignored, and that specifies both its dignity and its responsibility: family, become what you are (And what are you?) an “intimate community of life and love.” Hence, the family has the mission to guard, reveal and communicate love. Pope John Paul II – On the Role of the Christian Family on the Modern World.

Life Cycle of Marriage & Family
Families Matter: Interfaith Marriages: About fifty percent of all engaged Catholics marry someone of another faith. We ask you Lord to provide a special grace to sustain these marriages as they practice their religious traditions. Bless their children so that they may truly see you present to them in their faith lives. You pray for my family and I’ll pray for yours.
